## Nancy H. Phillips, Club Historian

1954 -1956

President Mrs. Francis Maull

The spring of 1954 ushered in several improvements needed at the clubhouse. A new kitchen sink and a new kitchen stove was installed.

The women held a fashion show with the proceeds going to restore the John Dickinson home in Dover, Delaware.

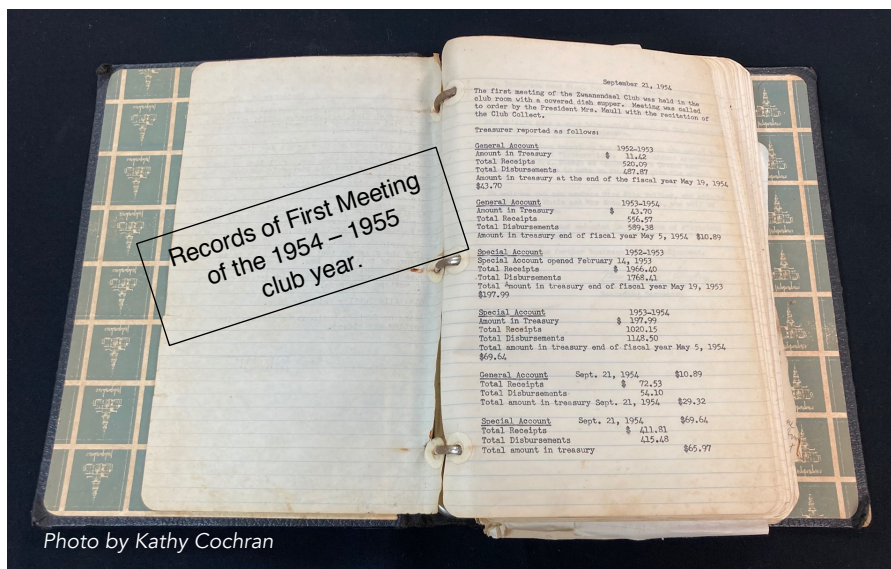

The club continued to entertain the Senior high school class with an ice cream social or a covered dish party.

The club also continued to have a spot on a local radio station WSUX. They shared their club projects.

In March 1956 the club made its first donation to the Lewes Firehouse of \$10.

October 1956, featured the club entertaining the children at Stokely Center for the mentally retarded.

The Chamber of Commerce held a meeting to discuss a 325th Anniversary celebration for the town. The club sent a representative and was very active in planning the event.
